

School Zero Waste Grant Program

Would you like to reduce waste
at your school and create a healthier
Central Vermont?

We are pleased to announce our
School Zero Waste Grant Program for public schools in our district for waste reduction
initiatives.

In 2011-2012, district schools may apply for up to \$2500 for projects such as purchase
of reusable cafeteria dishes, recycling bins, etc.

For more information or to print an application:

Funds are limited so please apply early!

Contact Gwen Lyons-Baker to learn more about the program
and how your school can get involved!
