Ground Rules for Meetings

Start and end meetings on time.

Members and administration will submit material in advance of meetings.

Members will be prepared for meetings.

Show mutual respect.

Listen to others and don't interrupt. People will speak when recognized. Share time so that all can participate.

We will honor brainstorming without being attached to our own viewpoint.

Be free to speak minds without fear or reprisal.

Attack the problem-no blame game.

Get consensus from board members for individual requests for information.

Make decisions based on clear information.

Identify pending issues and agreements at the end of each meeting.

Keep the best interest of the school and children in mind, while balancing the needs of the taxpayers.
